

Our Elevator Fundraising Appeal continues to raise money for the elevator repair. If you recall, our goal is \$10,000 – and at this date, **we have raised \$6800.00!** A heartfelt thanks to everyone who has donated thus far, and we hope to continue to get support so that we can reach our goal. If you have not yet donated, please consider helping out this appeal. Repairs such as this makes our Church accessible to everyone, and it is very much appreciated by its users. You can donate by cheque (drop it off with our treasurer Markian Yereniuk, or Financial Secretary Mykola Kowalchuk) or etransfer to treasurer@htuomc.org. Дуже дякую!
